

IACFUnknown

```
graph BT; AAX_IACFEffParameters[AAX_IACFEffParameters] --> IACFUnknown[IACFUnknown];
```

The diagram illustrates an inheritance relationship. At the bottom is a gray rectangular box labeled 'AAX_IACFEffParameters'. A blue arrow points vertically upwards from the center of this box to the center of a white rectangular box labeled 'IACFUnknown' positioned above it. Both boxes have a thin black border.
